

AUGMENTED REALITY SANDBOX

EDUCATOR WORKSHOPS

Join Franklin County Drainage Engineers, Delaware Soil and Water Conservation District and Franklin Soil and Water Conservation District for a FREE workshop to learn more about the AR Sandbox.

- Discover the basics of the technology behind the Augmented Reality Sandbox
- Participate in different activity ideas for grades 4, 6, 7, 8 and HS to use with the sandbox
- Learn about borrowing this interactive, educational model for your class or school

Who: Educators in Franklin and Delaware Counties

What: This workshop will introduce participants to the Augmented Reality Sandbox (ARS) with a focus on how this educational model can be used in your classroom as part of our model loan programs (Delaware SWCD & Franklin SWCD)

When: Monday, November 25th 2019 from 4-6 PM **or** Saturday, February 1st 2020 from 9-11 AM

Where: Franklin Soil and Water Conservation District
1404 Goodale Boulevard
Suite 100
Columbus, OH 43212

How: Registration November 25, 2019: www.11-25-19-arstraining.eventbrite.com
