Last day to Order is Monday September 23, 2024

Fish Pick-up is Tuesday October 1st from 12:00pm - 1:00pm

Purchase fish for restocking, or stock a new pond at Delaware Soil and Water Conservation District's Annual Fish Sale. Orders are due by Monday, September 23, 2024. Pick up your fish on Tuesday, October 1st at the Delaware SWCD parking lot from 12:00pm to 1:00pm.

Please bring sturdy containers filled with pond water for transporting your fish such as a five-gallon bucket or trash can that contains a heavy-duty plastic liner, (such as a trash bag), **unscented**, half-filled with water. Triploid white amurs require a couple of gallons of water per fish. We recommend releasing your fish into your pond as soon as possible.
