PROJECT DESCRIPTION

This project will include the maintenance of existing subsurface drainage pipe, and the taking of temporary and permanent easements.

This project/improvement is being done pursuant to Ohio Revised Code Sections 6131 and 6137.

2023 SPECIFICATIONS

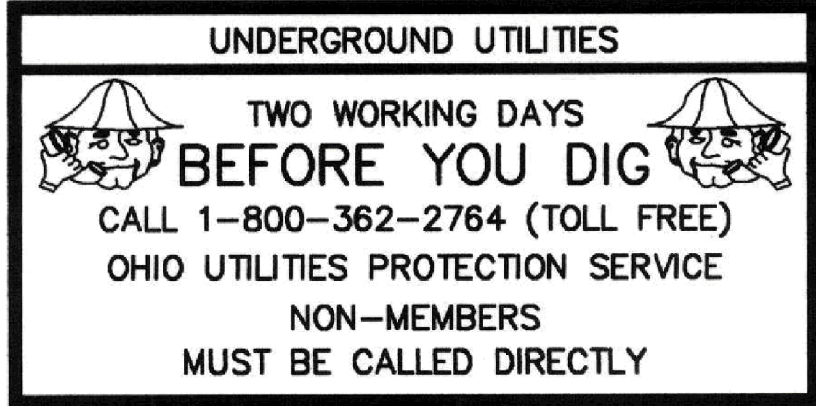

The standard specifications of the State of Ohio, Department of Transportation, including changes and supplemental specifications listed in the proposal shall govern this improvement. English units shall govern. Where noted, specifications of the USDA Natural Resources Conservation Service shall supplement the ODOT specifications.

BENCHMARK DESCRIPTION

BM#1  
The station is the flowline of a 12" pipe in a breather located 11 feet north of the edge of pavement of Norton Road and 7 feet west of the west pipe of twin concrete road culverts.

Elevation: 948.29'  
Northing: 280292.843  
Easting: 1806836.369

(Coordinates are NAD1983 Ohio State Plane North)
